ORDER

In the reference read above the Govt. of India informed that there shall be no (zero) levy on rice from the millers and dealers from Kharif Marketing Season (KMS) 2015-16.

2. The Commissioner of Civil Supplies informed that the procurement operations were done till KMS 2014-15 through PACS, IKP Groups and DCMSs. At the micro level, none of these agencies had the requisite technical, accounting or logistical expertise. Further, the IKP Groups decided to withdraw from procurement operations from KMS 2015-16. Government of India had prepared a draft proposal for Public-Private-Partnership under which all the responsibilities right from procurement of Paddy, Milling, storage and transportation to buffer godowns / MLS points, will be taken up by private parties, selected on the basis of a comprehensive tender process. Under this scheme, purchase centres will be maintained by professional organisations, and the expenditure will be borne by them without any need for budgetary support.

3. The Government hereby order to constitute a Committee to consider all the matters connected with the formulation of a suitable procurement policy and for deciding the pricing and quality norms. The committee should also examine an alternative arrangement in case tenders could not be finalised in time.

4. The composition of the Committee shall be
